

**Join Jewish Voice for Peace Vermont and allies to rally and demand our Congressional delegates do everything in their power to push for an immediate Ceasefire in Palestine/Israel.**

We will rally at 4:30PM, Thursday the 26th on Church street (precise location TBA) to hear speakers, grieve together, and support delegations of Jews to simultaneously enter Representative Balint and Senator's Welch and Sander's offices to demand a ceasefire and the implementation of immediate humanitarian measures.

**Why our Congresspeople?**

- Congresspeople have the power to cut funding, stop sending weapons and naval ships, and to issue resolutions calling for cease fire.
- It's strategic to show up at Congressional offices as a unified voice of their Jewish constituents because they are the people who represent us.
- As the death toll of Palestinian civilians in Gaza mounts, it becomes increasingly urgent that the U.S. government work for immediate de-escalation and ceasefire to prevent the further loss of life. This includes advocating for humanitarian assistance to be allowed into Gaza, and not fueling and exacerbating the violence.

**Why lead an action as Jews?**

- Jews have an important role to play *in this moment* to combat the weaponization of Jewish trauma against Palestinians. Taking action publicly interrupts the narrative that Jews support Israeli ethnic cleansing and genocide.

**Join us to demand an end to the genocide of Palestinians, and an end to our tax dollars funding weapons shipments and apartheid. As Jews we say, never again - for anyone!**
